USAF MEDICAL LOGISTICS DIRECTORY

PREFACE

This is the eighteenth edition of the USAF Medical Logistics Directory. It includes the names and telephone numbers of Medical Logistics personnel at most agencies and organizations worldwide.

Pages 1-2 and 3-4 are cross references that provide base names in both alphabetical and numerical sequence along with the corresponding Stock Record Account Number (SRAN).

AUTOVON and commercial numbers are included in all listings. Federal Telecommunications System (FTS) numbers are listed where available. As an additional reference aid, Routing Identifier Codes (RIC) are listed for each account.

As changes occur in personnel authorized and/or assigned, please notify AFMLO/FOR by completing the form included as the last page of this directory, or by sending a message.

Use of this directory will encourage communications within the Air Force Medical Logistics network. If any discrepancies are noted, please notify AFMLO/FOR, Frederick MD 21701-5006, telephone AV 343-7445, or commercial (301) 663-7445.

GOVERNMENT REGULATIONS PROHIBIT USING THE OFFICIAL NAME OF MILITARY INSTALLATIONS IN OVERSEAS MAILING ADDRESSES. THE APO ADDRESS SHOULD BE USED WHEREVER PROVIDED. FOR FURTHER INFORMATION ON CORRECT MAILING PROCEDURES, PLEASE REFER TO AFR 10-4 AND AFR 10-6.
